Visiting the Royal Palace is an essential opportunity to explore the rich heritage of the past.

The museum offers a unique glimpse into the worldwide influence of Buddhist heritage. Access to the museum is through the temple.

UDAWATTA FOREST RESERVE

Udawatta Kele Sanctuary, also known as the Royal Forest Park of Kandy, lies just 1.5 km from the hotel, behind the Temple of the Sacred Tooth Relic. Despite shrinking over time, it remains a beloved spot for locals and tourists alike. According to legend, the small island at its center was once used by the king's harem, accessible via a hidden tunnel from the palace. Visitors today often enjoy feeding the lake's lively fish.

KANDY ESALA PERAHERA

Each July or August, the Esala Perahera fills Kandy's streets with vibrant color and tradition, drawing thousands of devotees to this extraordinary festival. Honoring the Sacred Tooth Relic and the four guardian deities - Natha, Vishnu, Kataragama, and Goddess Pattini - it is Sri Lanka's most magnificent Buddhist celebration. The procession includes a dynamic display of dancers, jugglers, musicians, fire-breathers, and richly adorned elephants.

The festivities begin with the 'Kap Situ Weema' ritual, where a young jackfruit tree is ceremonially planted, adorned with flowers, sandalwood water, and an oil lamp. The grand finale, the Diyakapeeme Mangalyaya, sees the head priest symbolically cut the water with a golden sword. Dating back to the 3rd century B.C., the Esala Perahera is a cherished symbol of Kandy's cultural heritage.
